Safety Zone – V-144 Jack up Rig Movement

Issue Date: April 10, 2024

The Captain of the Port will establish a moving safety zone 500 yards around the V-144 jack up rig in the La Quinta Ship Channel and Corpus Christi Ship Channel as it is transported from the sea buoy to Kiewit Offshore Services on **April 11, 2024**. The moving safety zone is needed to protect personnel, vessels, and the marine environment from potential hazards created by the movement of the V-144 jack up rig. The transit is expected to begin at 7 A.M. and be completed by 3 P.M.

No vessel may enter the safety zone and vessels shall not attempt to meet or overtake the V-144 rig during transit.

Concerned parties with urgent concerns can contact the U.S. Coast Guard Sector Corpus Christi Command Center at 1-800-874-2143; or for non-urgent questions and concerns, email CCWaterways@uscg.mil.
